Do the Online Assignment “Homework #9.”

There are no Pencil-and-Paper problems for this assignment. However, the problem from Homework #8, Chapter 12: 23, was postponed and is now due on Friday, November 9, 2012, instead.

Academic Honesty

Since there is no written work this week, there is no place for you to write down and acknowledge any collaborators. Nevertheless, the same basic principles of intellectual honesty apply. You may get help from others, but the work you ultimately turn in as your own should be your own.
