Do the Online Assignment “Homework #11.”

There are no Pencil-and-Paper problems for this assignment.

Homework Grading

Remember that the lowest homework assignment will automatically be dropped. However, if you choose to skip this assignment, I still recommend that you try these problems sometime before the final exam. They are intended to be good and useful practice for the final.

Academic Honesty

Since there is no written work this week, there is no place for you to write down and acknowledge any collaborators. Nevertheless, the same basic principles of intellectual honesty apply. You may get help from others, but the work you ultimately turn in as your own should be your own.
