Physics 112-01—General Physics II: Electricity, Magnetism, and Optics
Homework Assignment #4
Due Friday, February 22, 2013, 11 a.m.

Reminder: The date for the first test has been changed to Monday, February 25, 2013.

Do the Online Assignment “Homework #4.”

Pencil-and-Paper problems.
There are no Pencil-and-Paper problems this week.

Academic Honesty
Since there is no written work this week, there is no place for you to write down and acknowledge any collaborators. Nevertheless, the same basic principles of intellectual honesty apply. You may get help from others, but the work you ultimately turn in as your own should be your own.
